BANCROFT OPENS NEW BRAKE SHOP

Opening of his new brake shop at 24418 Narbonne Ave. was announced last week by Ken Bancroft, owner and operator of Bancroft's Brake Shop. As an opening special, Bancroft says he will chop \$5 off the price of any regular brake reline job. Bancroft, a resident here, has long been associated with auto brake shops in the area.

SEVERED ARM FOUND IN STORE

At 8 p.m. yesterday evening a severed arm was discovered in the rear of a place of business located at 2083 Torrance Blvd. When the store owner, Sam Van Wagner, was interviewed, he admitted knowledge of the arm's presence and further testified that it had belonged to Mrs. Couchon of this city. The arm had fallen off when someone leaned on it too heavily. Mr. Van Wagner of Van's Mattress & Upholstery, is presently attaching said arm to the chair from whence it fell. Mr. Van Wagner respectfully reminds you as follows: "Our upholstery will stand up under the hardest sitting." We answer all calls dialed to Tor. 1194... It's an ad.

One thing I want to know: Why is it a youngster never sneezes until his mouth is full of cereal?

And why does he pick that very moment to strike up this close acquaintance with you when you're wearing your best clothes.

Regarding best clothes, please let me remind that those are the only kind we carry. To strike up a real clothes acquaintance, the place is Treskes Men's Wear, 1319 El Prado (between Newberry's and the McCown Drug Store).

City to Shoot for \$13,000 In 1952 Red Feather Drive

Torrance will shoot for a goal of nearly \$13,000 for the 1952 Community Chest campaign, it was announced yesterday by City Chairman Don Armstrong.

A goal of \$12,864 has been established for the city, Armstrong said.

This goal is \$411 more than the \$12,453 raised, during the year, the chairman indicated.

Torrance's quota is a part of the \$8 million that must be raised during the campaign in the entire Los Angeles area to maintain the Chest's 160 Red Feather agencies for the forthcoming year.

Groups at Work
The campaign this year will be broken down into five phases. Two of these — advance gifts and commerce and industry — are already at work raising funds. The remaining three groups — business, public employees and residential — will begin work soon.

The Torrance goal of \$12,864 is incorporated in the \$75,000 goal set this year for the Harbor area. Other cities in the area are Gardena, Lomita, Harbor City, Palms Verde, Rolling Hills, San Pedro and Wilmington.

An additional total of \$13,995

gifts group, already at work, is headed by B. T. Whitney. Sam Levy, Torrance merchant who is acting as Harbor area chairman for the second time in three years, this year is urging all chairmen to conduct a fast but comprehensive campaign.

Fund Lack Told
Levy, in stressing the importance of meeting the 1952 Chest campaign goal, pointed out that many of the 160 Red Feather agencies have been forced to curtail services because of a lack of funds.

"The entire Los Angeles area must raise a million dollars more this year than they did last year in order to keep these services operating," Torrance and the Harbor area must do their share of this," Levy said.

PTA Collects 13½ Tons In Paper Drive

Thirteen and one-half tons of scrap paper were collected in a drive sponsored last week by the North Torrance PTA.

Caroline Valentine won top honors for collecting in the lower division classes at the North Torrance Elementary School. Mrs. Dorothy Goldsmith's kindergarten class was second.

Sixth grader David Held won first for the upper division classes and classmate Lillian Dean was second.

Proceeds from the drive went to the PTA.
